### Hornbæk oval basin details:

Hornbæk wash basin is a Danish design by Copenhagen Bath. The basin is available in four variants, comes in matte white Acovi composite and can be ordered in other colors. The wash basin is designed with soft organic edges. The wash basin can be ordered in 40x40cm square and 60x40cm square, as well as ø40 cm. The waste can be ordered in brushed steel, chrome or matt white Acovi. Acovi is super easy to clean and maintain. For table mounting, a hole size of 65mm is recommended in the countertop.
