Hornbæk 118 bathtub details:

Many older houses and apartments have small bathrooms, so it is difficult to fit in an ordinary bathtub. That is why we have expanded our popular Hornbæk range, with a bathtub that is only 118 cm long. This small oval bathtub has exterior sharp edges, and soft inner round shapes. Can also be ordered in the size H/L/W 53/148/75 and 53/168/80

Please note that there may be a tolerance of ± 5 mm as all products are hand sanded.
